

# YOU'RE INVITED!

## Aurora Youth Options Mentor Program is hosting our annual FriendRaiser event!

If you are looking for a way to serve your community, please consider becoming a mentor. Aurora Youth Options (AYO) offers a flexible and supportive program for **caring adults who want to make a difference in the life of a youth.**

**CURRENT MENTORS**, please join us for a supportive environment and participate in three mini workshops geared toward discussing your experiences and addressing challenges you may be having in your mentoring relationship. As always, we're eager to hear your success stories!

**INTERESTED IN MENTORING?** Please join us to learn more about the AYO Mentor Program. You will have the opportunity to meet current mentors, ask them questions and hear about their personal mentoring experiences. Participating in the three mini workshops will provide a space for you to learn more about what makes a good mentor and all of the benefits that mentoring provides, both to the young person AND the mentor!
