

Outdoor Adventure Group 2017 (Ages 11-17)

3 trips, 1 amazing opportunity!

Cherry Creek State Park

When: June 15th 10am-3pm

Where: We will meet at 1298 Peoria St. (Hoffman Library)

What: This is our introductory trip! Activities will include games, a hike around the lake, some outdoor skill-building, and of course a delicious lunch.

What to bring: Water bottle, sunscreen, comfortable shoes, camera, and a hat. We will have extra water bottles and sunscreen for any youth who needs it!

Skills obtained: Introductory hiking, mindfulness, teamwork, water filtration, and stove set-up and cooking!

Red Rocks Park

When: June 22nd 9am-4pm

Where: We will meet at 1298 Peoria St. (Hoffman Library)

What: This is our second trip so we're ramping it up a little! We're going to go explore the famous Red Rocks Amphitheater where legends have performed for the last

100+ years. After we check out the theater and museum we'll go on a short hike in the park. There will also be an art exhibit on display and of course you can't forget about the yummy free food we'll be providing!!

What to bring: Water bottle, sunscreen, comfortable shoes, camera, and a hat. We will have extra sunscreen and water bottles for any youth who needs it!

Skills obtained: Increased hiking skills, mindfulness, history of Red Rocks, and geology.

Rocky Mountain National Park

When: June 29th 8am-6pm

Where: We will meet at 1298 Peoria St. (Hoffman Library)

What: This is the Big Finale! We're going to one of the most beautiful places in the country! On our trip to Rocky Mountain National Park we will be playing games, eating delicious food, and hiking to some incredible views. And who knows, if we're lucky we might even get to see some wildlife!! After the first two trips you'll be ready to conquer Rocky Mountain! Make sure to bring a camera because it's going to be spectacular!

What to bring: Water bottle, sunscreen, comfortable shoes, camera, and a hat. We have extra water bottles and sunscreen for any youth who needs it!

Skills obtained: Strong hiking skills, mindfulness, Leave No Trace principles, cooking, and an appreciation for nature you won't ever forget!
